What You Can Do

Become an Ocean Wise Seafood partner

or encourage your local restaurant, retailer, or supplier to join!

Are you a restaurant, supplier or retailer of seafood products looking to offer sustainable seafood options? If so, you've come to the right place.

We can work directly with you to ensure you have the most current scientific information regarding your seafood so that you can make ocean-friendly buying decisions. The Ocean Wise symbol on menus or packaging enables consumers to easily identify and choose products that ensure the health of our oceans for generations to come.
