

CHEF-CRAFTED PLANT-BASED MEATS.

Culinary freedom for a healthy, Hungry Planet.

A simple **DELICIOUS** switch.

We make delicious food that happens to be plant-based. Developed to delight the demanding tastes of meat lovers and chefs, our 100% plant-based meats satisfy omnivores, carnivores, flexitarians, vegetarians, and vegans alike. It's not a sacrifice, just a simple switch.

Any **CUISINE**. Every **FLAVOR**. All **PROTEINS**.

Eating plant-based provides a world of abundant options. After a decade of culinary R&D, we developed the most comprehensive range of plant-based meats. Our expert chefs perfected Hungry Planet Chicken, Beef, Pork, Italian Sausage, Chorizo, and Crab, with additional craveable proteins launching soon. Enjoy any recipe, any cuisine – without compromise.

Superior **NUTRITION**.

Our broken food system has resulted in deteriorating human and planetary health. To combat this immediate and existential threat, we choose healthful ingredients that use fewer resources from planet to production, and that are packed with protein and fiber, with fewer calories and less fat than conventional meat and other plant-based options.
