

NEW BREADED CHEESE CURDS

Quebec cheese curds coated with a crispy breading, these creamy cheese bites look house-made and deliver **authentic taste in every bite.**

On Trend.

With 47% menu penetration growth over the last four years, fried cheese curds are a delicious way to excite guests and grow profitable sales.

Versatile.

Dip, top, stack - from appetizers to snacks or builds, these premium cheese curds provide flexibility across the menu.

Authentic.

Made with Quebec cheese curds and lightly breaded for a cheesy experience as authentic as they come.

BITES MADE FOR BEER

Tasty Taters Poutine

A mix of melty cheese curds and crispy potato bites drizzled with rich, savoury gravy – creates the perfect sharable.

Charcuterie Board for Two

*Mix up textures by combining cheese curds, prosciutto, pickled vegetables and bourbon barbeque sauce to **create** a mouthwatering starter or snack.*
