

# OWN THE EXPERIENCE.

Since it was founded in 1986, Teriyaki Experience has been the leader in delivering quality Japanese food made fresh before your eyes. Over 30 years later we are still delivering that fresh experience, and now with fresh changes. Teriyaki Experience has become the leader in the fresh fast casual sector, experiencing double-digit growth with stores that are delivering our new brand direction. Our voice will always inspire and delight our guests with fresh, premium products that are designed to be delicious and better for you each and every time.
