

North America's largest procurement services company

Foodbuy

We simplify procurement for our customers
and deliver unmatched cost savings

Much more than a Group Purchasing Organization (GPO), Foodbuy helps members realize savings and efficiencies by collecting purchasing volume and using that leverage to negotiate discounts with manufacturers, distributors and other vendors. We are devoted to helping both our members and suppliers grow by delivering the highest level of customer value and experience through innovative, flexible procurement solutions.

\$2B in
purchasing
power

35,000
contracted
products

450 leading
manufactures

Distributor Partner flexibility

With no change to your distribution agreement or your purchasing behavior we receive your data directly from your distributors into our system for calculation of rebates.
